To whom this may concern,

My wife and I employed Steve Kemp from Kemp Construction Management Ltd. to oversee a complete kitchen and a bathroom rebuild from the studs on up for our primary home in Richmond. The work was completed on schedule and within our budget. We appreciated his attention to detail and the degree of follow-up with the contractors to ensure everything was done to our satisfaction. I would highly recommend Steve and Kemp Construction Management to anyone wishing to contract his services.

Respectfully yours,
